Subject: NFC Attestation Letter: Fitbit Models FB505 (NFC Unit) and FB504 (Non-NFC Unit)

RE: Model FB504, FCC ID: XRAFB504 and IC: 8542A:FB504  
Model FB505, FCC ID: XRAFB505 and IC: 8542A:FB505

To Whom it May Concern:

This letter is to inform you that the Model FB504 has the same board design and mechanical design as the Model FB505. The only differences between these two models are that the Model FB504 does not have an NFC controller, and the antenna is depopulated. All other parts are electrically identical.

Sincerely,
