

Regulatory & Safety Notices

Model Name: FB205

USA: Federal Communications Commission (FCC) statement

This device complies with FCC part 15 FCC Rules.

Operation is subject to the following two conditions:

1. This device may not cause harmful interference and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

FCC Warning

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device meets the FCC and IC requirements for RF exposure in public or uncontrolled environments.

FCC ID: XRAFB205

Canada: Industry Canada (IC) statement

This device meets the IC requirements for RF exposure in public or uncontrolled environments.

Cet appareil est conforme aux conditions de la IC en matière de RF dans des environnements publics ou incontrôlée

IC Notice to Users English/French in accordance with current issue of RSS GEN:

This device complies with Industry Canada applicable license exempt RSS standard(s).
Operation is subject to the following two conditions:

1. this device may not cause interference, and
2. this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil est conforme avec Industrie Canada RSS standard exempts de licence (s). Son utilisation est soumise à Les deux conditions suivantes:

1. cet appareil ne peut pas provoquer d'interférences et
2. cet appareil doit accepter Toute interférence, y compris les interférences qui peuvent causer un mauvais fonctionnement du dispositif

注意！

依據 低功率電波輻射性電機管理辦法

第十二條 經型式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能

第十四條

低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。

前項合法通信，指依電信法規定作業之無線電通信。

低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

Translation:

Article 12

Without permission, any company, firm or user shall not alter the frequency, increase the power, or change the characteristics and functions of the original design of the certified lower power frequency electric machinery.

Article 14

The application of low power frequency electric machineries shall not affect the navigation safety nor interfere a legal communication, if an interference is found, the service will be suspended until improvement is made and the interference no longer exists. The foregoing legal communication refers to the wireless telecommunication operated according to the telecommunications laws and regulations. The low power frequency electric machinery should be able to tolerate the interference of the electric wave radiation electric machineries and equipment for legal communications or industrial and scientific applications.

Important safety and product information

CAUTION The device may cause skin irritation

Prolonged contact may contribute to skin irritation or allergies in some users. To reduce irritation, follow four simple wear and care tips: (1) Keep it clean; (2) keep it dry; (3) don't wear it too tight, and (4) give your wrist a rest by removing the band for an hour after extended wear.

For more information visit www.fitbit.com/productcare. If you notice any skin irritation, remove your device. If symptoms persist longer than 2-3 days after removing the device, consult your doctor.

The device contains electrical equipment that could cause injury if not handled properly.

If you feel soreness, tingling, numbness, burning or stiffness in your hands or wrists while or after wearing the product, please discontinue use.

- Do not attempt to replace the battery or open the enclosure or disassemble your Fitbit product. Doing so will void the warranty and can result in a safety hazard.
- Do not use your Fitbit product if your display is cracked.
- Substances in this product and its battery may harm the environment or cause injury if handled and disposed of improperly.
- Do not expose your Fitbit product to extremely high or low temperatures.
- Do not use your Fitbit product in a sauna or steam room.
- Do not use abrasive cleaners to clean your Fitbit product.
- Remove your Fitbit product if it feels warm or hot.
- Do not dispose of your Fitbit product in a fire. The battery could explode.
- Charge the battery in accordance with the instructions provided during setup. Only use a computer, powered hub or power supply that is certified by a recognized testing laboratory and an authorized Fitbit charging cable.
- Do not wear your Fitbit product while charging it.
- Do not charge your Fitbit product while it is wet.
- Do not place your Fitbit product in a dishwasher, washing machine, or dryer.
- Do not leave your Fitbit product in direct sunlight for an extended period of time.
- Your Fitbit uses a California Energy Commission battery charger.
-

CAUTION: Consult your doctor before beginning or modifying any exercise program.

CAUTION: Consult your doctor before use if you have any preexisting conditions that might be affected by your use of this Fitbit product.

CAUTION: Do not check call or other notifications, or other applications on the product's display while driving or in other situations where distractions could be hazardous. Always be aware of your surroundings when exercising.

CAUTION: This product is not a toy. Do not allow children or pets to play with your Fitbit product. The product contains small components that can be a choking hazard.

This product is not a medical device, and is not intended to diagnose, treat, cure, or prevent any disease. With regard to accuracy, Fitbit has developed leading hardware and algorithms to track fitness information and is constantly improving its products to calculate measurements as accurately as possible. The accuracy of Fitbit devices is not intended to match medical devices or scientific measurement devices, but is intended to give you the best information available in a wearable activity tracker.

Please refer to fitbit.com for specific information regarding water resistance.

Special notice for devices with PurePulse Technology: PurePulse products have a heart rate tracking feature that may pose risks to users with certain health conditions. Consult your doctor prior to use if you:

- Have a medical or heart condition
- Are taking any photosensitive medicine
- Have epilepsy or are sensitive to flashing lights
- Have reduced circulation or bruise easily
- Have tendonitis, carpal tunnel syndrome, or other musculoskeletal disorders

For additional information on using your Fitbit account, visit www.fitbit.com/terms.

Disposal and recycling information

The symbol on the product or its packaging signifies that this product must be disposed of separately from ordinary household wastes at its end of life because it contains a battery and is electronic equipment. Ensure that you dispose of your Fitbit product at a recycling center. Each country in the European Union has its own collection centres for batteries and electronic equipment recycling. For information about where to recycle your Fitbit product, please visit help.fitbit.com, or contact your local waste management authority or the retailer where you bought the product.
